Re: United States v. OZ Africa Management GP, LLC, No. 1:16-cr-00515-NGG

Dear Judge Garaufis:

This letter is respectfully submitted on behalf of the victims represented by this law firm (the “Identified Victims”) and defendant OZ Africa Management GP, LLC (“OZ Africa” or “Defendant”) in response to the Court’s Order of earlier today requesting an update on the status of the settlement agreement between Defendant and the Identified Victims in light of the Government’s letter of Monday reporting on the final accounting of victim restitution claims and indicating that sentencing can now promptly move forward.

The status of the settlement agreement between Defendant and the Identified Victims is that it is intact, and operative, and provided the Court at sentencing enters a final order of restitution consistent with the Government’s final accounting of victim restitution claims (under which OZ Africa will pay the additional \$1,826,067.64 to other victims), the Settlement Agreement will be consummated.

Finally, Defendant and the Identified Victims also agree with the Government that there remains no further barrier to an immediate sentencing of Defendant, and join the Government in requesting the very earliest sentencing date the Court can accommodate, including as early as tomorrow.
